A Warm Welcome to...

We would like to welcome into the Primacy family the following clinic operators along with their Associates and Staff:

- Dr. McLeod from Parkway Medical Clinic in Victoria, BC
- Drs. Merth, Carkner, Mudie, Clutterham, Haines and Sundvick from Good Health Family Medicine in Coquitlam, BC
- Dr. Alfred, Jeyasingh Suvisashamuthu and Durai Jeyasingh from Mercy Medical Clinic in Coquitlam, BC

Primacy Physicians are Recruiting!

You may have colleagues who are interested in working at a Primacy clinic but are not quite ready to open their own. A variety of Primacy Physicians are currently recruiting other physicians and/or specialists to join them at the following locations:

Abbotsford, BC | Surrey, BC | Spruce Grove, AB | Regina, SK
Burlington, ON | Brampton, ON | Kitchener, ON
Mississauga, ON | Peterborough, ON | Pickering, ON | Toronto, ON
Bedford, NS | Saint John, NB | Summerside, PE

For more information, please contact your regional representative.

Cell: (519) 827 - 8004
Bilingual French/English

Cell numbers are provided for urgent after-hours issues

Primacy has now partnered with Blue Cross through United Health Alliance (UHA). Blue Cross offers benefits that are more competitive and comprehensive than those currently offered by each province's medical association. These benefits are now available to individuals (full & part-time) and their families.

For more information, please contact Frank Shahrokhi from United Health Alliance directly at 416-918-5121 or frank@uhainsurance.com and mention that you are calling from a Primacy Clinic.

Facebook Initiative

If your clinic offers walk-in services, you should have already received an e-mail from us. Primacy recently initiated a Facebook campaign to promote walk-in clinics within their communities. Social media is widely used by people to connect with acquaintances, friends, family and even businesses. Having a social media presence is therefore a great way of staying involved with your community. It allows patients to refer your business to others and stay up to date on important news such as change in hours, holiday schedules, policies and physician availability. It is also a great platform for you to share interesting health-related comments and articles!

What can you do with your individual business page?

- Spread the word by clicking the "Like" button!
- Each page is currently managed by Primacy but you may contact Nicole at ext. 550 to request administrative access for yourself and/or your staff.

Contact your representative if you offer walk-in services and haven't received an e-mail.

Maintenance Corner

Make sure to test your air conditioning unit ahead of time.

Call your Regional Representative at Primacy for any of the following: HVAC or electrical problems, stained ceiling tiles, plumbing troubles or burnt out lights.

For urgent or store related issues we advise you to contact the store manager on site. These could include: merchandise blocking your entrance, garbage disposal, pest control or if you've called 911 and emergency services are on their way.
